Services include:

1. Matching of nanny to your household
2. Interview with nanny R150 each interview costs. Spend one day with nanny to see if you like her
3. Contract between yourself and nanny (1 year base – preferably)
4. Background check and criminal record
5. Three month trial period worked into your contract
6. Costs R1500 for placement
7. No refunds – if nanny does not make three month trial period, a replacement interview will be arranged for a new placement without costs – only interview costs

Extra training available on request:

1. First aid training (child care) R650 – two day course
2. Domestic training R550 – one full day course
3. Cooking lessons R550 per sector (sectors: starters, main course, salads, deserts) -2 days per sector
4. Love language/disc profile - evaluation available for R500 per household. Includes:
 - 1 hour session with each child
 - Personal profile of each child
 - 1 hour session with parents and aupair
 - Discipline structure for each child wrapped in love

Motivation ideas for each child

Personal relationship building block

I understand the above 7 steps / terms / services and are willing to use Caring hands on own risk to place an nanny in my household for my children. I uderstand the placement fee is payable once I chose a Nanny, and the interview costs are for my account.
