Few things to think about before I set up your contract between yourself and the au-pair:

1. When may she take leave? (december only, or during school holidays) _____
2. Do you want the au-pair to work full day during school holidays, and will ou pay her extra for that hours, or are you going to let her still work half day

Services include:

1. Matching of aupair to your household
2. Interview with aupair
3. Contract between yourself and aupair (1 year base – preferably)
4. Background check and criminal record
5. Three month trail period
6. Costs R1500 for placement

7. No refunds – if aupair does not make three month trial period, a replacement interview will be arranged for a new placement without costs

Extra training available on request:

1. First aid training (child care) R650 – two day course
2. Domestic training R550 – one full day course
3. Cooking lessons R550 per sector (sectors: starters, main course, salads, deserts) -2 days per sector
4. Love language/disc profile - evaluation available for R500 per household. Includes:
 - 1 hour session with each child
 - Personal profile of each child
 - 1 hour session with parents and aupair
 - Disciple stucture for each child wrapped in love
 - Motivation ideas for each child
 - Personal relationship building block

I understand the above 7 steps / terms / services and are willing to use Caring hands on own risk to place an au pair/nanny in my household for my children:
